# ONWARD ENGINEERING CAPABILITY STATEMENT

## Onward Engineering Snapshot Profile

Onward Engineering is a **full-service civil engineering and construction management firm** founded in 2004 by Majdi Ataya, P.E., and is located in downtown Anaheim. Our quality is rooted in the 3+ decades of experience that our key staff poses in the local public works and utility industry. We believe that **Price and Responsiveness** are the two components that make our firm *most desirable*. We constantly strive to save clients money and we make a point to remain available and responsive to each of our clients and we stand by our commitment. Onward is forward thinking and is able to fit the mold of each of our clients organization in order to efficiently bring new or existing projects to a close.
