## FOR IMMEDIATE RELEASE

### **Santa Ana Freeway (I-5) Pavement Rehabilitation**

SANTA CLARITA - Department of Transportation (Caltrans) advises motorists that one lane of northbound I-5 at Templin Highway has been closed permanently for repairs, due to storm damage to the pavement.

Please be advised that traffic will be heavy over the Veteran's Day weekend and delays of one hour or more are expected. Motorists are encouraged to leave early or take alternate routes.

Traffic fines are doubled in construction areas and motorists are advised to drive with care through the work zone and to slow for the cone zone.
