CORRECTION

NORTHBOUND SR-110 ON-RAMP AT 11th STREET CLOSURE

LOS ANGELES - The California Department of Transportation (Caltrans) will begin long term closure of the northbound Harbor Freeway (SR-110) on-ramp at 11th Street, **Sunday, April 10th**. The ramp is expected to remain closed until winter 2011. Detours will be posted.

The closure is necessary to widen the 11th Street ramp. This project will add outside merging lanes, improve the SR110/I-10 interchange and several ramps which will enhance access to downtown Los Angeles. Completion is estimated summer 2013. Flatiron West Inc. is the contractor on this \$25 million project.

Caltrans advises motorists to “**Slow For The Cone Zone.**”
