Gallaway Enterprises is pleased to provide the following quote for **CALTRANS PROJECT NO. 01-0E2004 CONSTRUCTION IN MENDOCINO COUNTY AT VARIOUS LOCATIONS FROM ALBION RIVER BRIDGE TO TEN MILE BRIDGE; Including addendum #1.** If you have any questions, please do not hesitate to contact Melissa Murphy at (530) 332-9909 office, (530) 332-9905 fax, or *melissa@gallawayenterprises.com.* Gallaway Enterprises, Inc. is a **DBE** (#31237), WBE, DIR (#1000001952) and small business (#1760213) certified company. This quote is supplied with the understanding that we are exempt from the requirement of providing certified payroll.

Scope of Work:
Gallaway Enterprises will provide a qualified **Contractor Supplied Biologist(s) (Item 14)** to satisfy species protection and survey requirements for the term of the project, which will include:

- Pre-construction Survey and Report;

- Daily Monitoring during the Installation of Exclusion Materials.

Project Assumptions:

- The Contractor is responsible for the installation, maintenance, and removal of exclusion devices. If necessary, Gallaway Enterprises will be present during the installation of bat exclusion devices.
- The Contractor will provide a work schedule to Gallaway Enterprises so monitoring and surveys can be conducted in a timely manner.

Cost estimate:
The Engineer has estimated 2 Contractor Supplied Biologist Work Days will be required; however Section 14-6.05C(4) of the Caltrans Special Provisions calls for daily monitoring prior to ground disturbing activities and daily pre-activity surveys for western snowy plover. In addition, Section 14-6.10C of the Special Provisions requires the Department Biologist or Contractor Supplied Biologist be present during the installation of bat exclusion devices. Due to the discrepancy between the Engineer's estimate and the required monitoring schedule in the Special Provisions, Gallaway Enterprises has provided a daily rate below. Billing will reflect the actual number of days worked.

14	Contractor Supplied Biologist	1	WD*	$920	$920

Quotation and Scope

Quote P16-124

August 15, 2016

Gallaway Enterprises is pleased to provide the following quote for **CALTRANS PROJECT NO. 01-0E2004 CONSTRUCTION IN MENDOCINO COUNTY AT VARIOUS LOCATIONS FROM ALBION RIVER BRIDGE TO TEN MILE BRIDGE; Including addendum #1.** If you have any questions, please do not hesitate to contact Melissa Murphy at (530) 332-9909 office, (530) 332-9905 fax, or *melissa@gallawayenterprises.com.* Gallaway Enterprises, Inc. is a **DBE** (#31237), WBE, DIR (#1000001952) and small business (#1760213) certified company. This quote is supplied with the understanding that we are exempt from the requirement of providing certified payroll.

Scope of Work:

Gallaway Enterprises will provide a qualified **Contractor Supplied Biologist(s) (Item 14)** to satisfy species protection and survey requirements for the term of the project, which will include:

- Pre-construction Survey and Report;
- Daily Monitoring for Special Status Amphibians and Western Snowy Plover;
- Daily Monitoring during the Installation of Exclusion Materials.

Project Assumptions:

- The Contractor is responsible for the installation, maintenance, and removal of exclusion devices. If necessary, Gallaway Enterprises will be present during the installation of bat exclusion devices.
- The Contractor will provide a work schedule to Gallaway Enterprises so monitoring and surveys can be conducted in a timely manner.

Cost estimate:

The Engineer has estimated 2 Contractor Supplied Biologist Work Days will be required; however Section 14-6.05C(4) of the Caltrans Special Provisions calls for daily monitoring prior to ground disturbing activities and daily pre-activity surveys for western snowy plover. In addition, Section 14-6.10C of the Special Provisions requires the Department Biologist or Contractor Supplied Biologist be present during the installation of bat exclusion devices. Due to the discrepancy between the Engineer's estimate and the required monitoring schedule in the Special Provisions, Gallaway Enterprises has provided a daily rate below. Billing will reflect the actual number of days worked.

Item No.	Description	Quantity	Unit	Rate	Total
14	Contractor Supplied Biologist	1	WD*	$920	$920

**Work Day=No more than 8 hours in a day including drive time. Includes cost of "normal" travel expenses, reports, surveys, and monitoring.*

Quotation and Scope

Quote P16-124

August 15, 2016

Gallaway Enterprises is pleased to provide the following quote for **CALTRANS PROJECT NO. 01-0E2004 CONSTRUCTION IN MENDOCINO COUNTY AT VARIOUS LOCATIONS FROM ALBION RIVER BRIDGE TO TEN MILE BRIDGE; Including addendum #1.** If you have any questions, please do not hesitate to contact Melissa Murphy at (530) 332-9909 office, (530) 332-9905 fax, or *melissa@gallawayenterprises.com.* Gallaway Enterprises, Inc. is a **DBE** (#31237), WBE, DIR (#1000001952) and small business (#1760213) certified company. This quote is supplied with the understanding that we are exempt from the requirement of providing certified payroll.

Scope of Work:
Gallaway Enterprises will provide a qualified **Contractor Supplied Biologist(s) (Item 14)** to satisfy species protection and survey requirements for the term of the project, which will include:

- Pre-construction Survey and Report;
- Daily Monitoring for Special Status Amphibians and Western Snowy Plover;
- Daily Monitoring during the Installation of Exclusion Materials.

Project Assumptions:

- The Contractor is responsible for the installation, maintenance, and removal of exclusion devices. If necessary, Gallaway Enterprises will be present during the installation of bat exclusion devices.
- The Contractor will provide a work schedule to Gallaway Enterprises so monitoring and surveys can be conducted in a timely manner.

Cost estimate:
The Engineer has estimated 2 Contractor Supplied Biologist Work Days will be required; however Section 14-6.05C(4) of the Caltrans Special Provisions calls for daily monitoring prior to ground disturbing activities and daily pre-activity surveys for western snowy plover. In addition, Section 14-6.10C of the Special Provisions requires the Department Biologist or Contractor Supplied Biologist be present during the installation of bat exclusion devices. Due to the discrepancy between the Engineer's estimate and the required monitoring schedule in the Special Provisions, Gallaway Enterprises has provided a daily rate below. Billing will reflect the actual number of days worked.

Item No.	Description	Quantity	Unit	Rate	Total
14	Contractor Supplied Biologist	1	WD*	$920	$920

**Work Day=No more than 8 hours in a day including drive time. Includes cost of "normal" travel expenses, reports, surveys, and monitoring.*

Qualifications:
Our biologists are Caltrans, CDFW, and USFWS approved biological monitors. Gallaway Enterprises holds a Scientific Collecting Permit for sensitive herptiles (CDFW #SC-925). We have over 20 years of experience providing environmental compliance monitoring throughout northern California. For more information on our successful bird and bat exclusion projects please contact us at (530) 332-9909 or visit: *www.gallawayenterprises.com*.

Due to the discrepancy between the Engineer's estimate and the required monitoring schedule in the Special Provisions, Gallaway Enterprises has provided a daily rate below.
