RE: Contract # 01-378134
Highway 128 Culvert Repair
Bid Date June 2, 2016

Dear Mr. McMillan

At the time of bid, our firm made an inadvertent clerical error on our sublisting form. We inadvertently listed two firms for work on item 2 – Construction Area Signs. Our intent on the project was to list Roll N Rock Construction for this work in order to make the DVBE commitment goal on the project. The error occurred when we inadvertently failed to toggle the “list this subcontractor” button to “no” for Highway Specialty.

This inadvertent clerical error makes no material change to our bid. We believe it is well within Caltrans discretion to accept our bid as responsive regardless of this minor listing error.

If you have any questions or wish to discuss the above please contact me at the below address or phone number.

Thank you for your attention to this matter.

Sincerely,
