Edward, I am sorry. I inadvertently sent this message to you although you've asked to be removed from solicitations unless the EE is over $250 mil. I will pay better attention in the future!

Thank you for your response regardless,

Dear Annette:

Thank you for your interest in our company and for the invitation to bid on the above referenced project. I really appreciate it when the engineer's estimate for the project is included along with the DBE goal. Please continue to include this information on future invitations.

If I receive an invitation for a project that meets our bid criteria, I will certainly bid accordingly. This project's EE is below our bid criteria so we will pass on this one. Good luck on your bid and thank you again.
