As of Sept. 2010, Caltrans suggests the following further steps to support Good Faith Effort (GFE).

1. Attend networking opportunity events at mandatory Caltrans pre-bids & district meetings. Include with your GFE, information that you attended the meeting along with the event brochure.
2. As you reach the bid opening date, ask yourself how likely you are to meeting the goal. If its apparent you may not, then do another GFE. This should be done 5 days of bid opening.

SPECIAL DIRECTIONS FOR FEDERALLY FUNDED PROJECTS:

Review your bid documents and search for any references to the Small Business Administration (SBA) and the Minority Business Development Agency (MBDA). If the agencies are mentioned in the bid documents you MUST post your opportunity through their websites. Contact us for more details.
