Dear Mr. Ferndino:

The Department of Transportation (Caltrans) received a bid from Security Paving Company, Inc. (Security Paving) for contract 05-4482U4 on April 27, 2016. Security Paving listed Chrisp Company to perform 100 percent of bid item 268. Security Paving also listed High-Light Electric, Inc., to perform 100 percentage for the same bid item on its Subcontractor List.

Public Contract Code Section 4106 States in pertinent part:

"If a prime contractor fails to specify a subcontractor or if a prime contractor specifies more than one subcontractor for the same portion of work to be performed under the contract in excess of one-half of 1 percent of the prime contractors bid, the prime contractor agrees that he or she is fully qualified to perform that portion of work himself or herself, and that the prime contractor shall perform that portion himself or herself."

If Security Paving is awarded contract 05-4482U4, it must perform bid item 268 with its own forces.

The Resident Engineer will receive a copy of this letter for contract administration compliance.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,
