Subject: Trucking Proposal for Caltrans 07-302604

Thank you for taking the time to look at this. Attached please find our trucking rates and brochure on our company. Feel free to call me with any questions; we are open to suggestions and negotiations.

Please take into consideration some of the benefits of working with us:

- A true "Full Service Construction Trucking Company," that actually owns equipment, we're not just a truck broker.
- The largest fleet in the area holding DBE/SBE/MBE Certifications
- Real time GPS tracking on all equipment, where we can give login access to customers for accountability and transparency.
- Equipment that's spec'd out to maximize payload (e.g. 34ft end dumps that can legal 80,000lbs; Super-tens that can gross more than 60,000lbs; light weight bottom dumps)
- Because equipment is company owned, we can provide a customized trucking service; such as spotting equipment for later use, leaving equipment loaded for delay unloads, ect

Board of Airport Commissioners

Dear Friends:

I am pleased to welcome you to the 10th Annual California Construction Expo.

Los Angeles World Airports continues the exciting work of re-building Los Angeles International Airport (LAX). Over the next decade billions of dollars in construction funds will be expended to improve airfield safety, modernize landside access, upgrade our terminals and concessions offerings and enhance the guest experience. We intend to continue to create and support thousands of jobs for our region as we increase our competitive strength in global aviation.

The California Construction Expo offers participants the unique opportunity to meet with public agencies, design professionals and construction industry leaders to build business relationships and exchange information on the extraordinary challenges we face as our region continues its unprecedented economic growth. Los Angeles World Airports has met those challenges head-on by constructing gates which accommodate larger aircraft, propelling LAX to become the fifth busiest airport in the world with an annual passenger count of over 70 million. Many of the companies participating in this year's Expo played an important role in this achievement.

Los Angeles World Airports is honored to host CalCon Expo 2015.

Sincerely,

Deborah Flint
Executive Director

Important Reminders

Licensed Contractors Urged to Make Sure They Increase Bond Coverage to $15,000; Applies to All Licensees

California law (Business and Professions Code Section 7071.6) requires all contractors to have either a contractor's bond or cash deposit filed with the Contractors State License Board (CSLB). The bond or cash deposit is filed for the benefit of consumers who may be damaged as a result of defective construction or other license law violations, and for the benefit of employees who have not been paid wages that are due to them.

On January 1, 2016, the amount of the bond is increasing from $12,500 to $15,000. CSLB urges all contractors to make sure they've got their new bond or cash deposit in-place by that date.
