RE: Work Item Review for G&C Equipment Corporation

Dear Mr. Hale:

This letter is regarding the recent meeting your company had with Caltrans Directory Malcolm Dougherty and Assistant Director René Halverson from the Office of Business Economic Opportunity.

Caltrans has taken the initiative to ensure all certified DVBE firms that bid on or perform on Caltrans' State funded projects are performing a commercial useful function (CUF). After careful evaluation of the information and documentation obtained as a result of the review, pursuant to Military & Veterans Code §999(b)(5)(B) (i) and (ii), your firm is deemed to perform a CUF when providing the following types of services on Caltrans projects:

Work Item Description	G&C's Role/Participation
Safety Equipment Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Reinforcing Bar Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Lumber Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Pipe Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Guard Railing & Barriers Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Traffic Stripes, Marking & Traffic Control Materials	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Wholesale Broker of Construction Materials	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks

Work Item Description (Continued)	G&C's Role/Participation (Continued)
Sign Structure Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Electrical Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Construction Area Signs Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks
Plumbing Materials Supplier	Review of past performance on Caltrans projects, onsite visit and inventory listing, G&C deemed able to perform these tasks

Since we have determined your firm is providing a CUF for the specified classifications listed in the table above, the DVBE credit can ONLY be granted to the afore mentioned classifications and counted towards DVBE goals for Caltrans State funded contracts. For all other goods and services that G & C Equipment is listed for, the Contract Evaluation Unit will assess these particular work items on a contract by contract basis.

You may review your firm's information on the Department of General Services (DGS) website at <http://www.bidsync.com/DPXBisCASB>. It is your responsibility to maintain correct information regarding your firm's name, address, phone/fax number, and e-mail address on the DGS website.

If you have questions or need further assistance or clarification, please contact Ryan Jeske, Contract Evaluation Analyst, CEU at (916) 324-0462, or by email at ryan_jeske@dot.ca.gov.

Additional Data

Any additional data to support a demonstration of good faith efforts (use additional sheets if necessary):

Hazard Construction's Estimators and Estimating Secretary are available for assistance with navigating the FTP Site or agency's website to access project information. Estimators are available to discuss and answer questions regarding the specifics of the projects.

If Internet or printing access is limited Hazard offers to burn CD's or prints necessary documentation and ships at no cost to the subcontractor or vendor. Hazard Construction encourages all potential Subcontractors and Vendors to offer lower tier companies to assist in meeting goals on projects.

Hazard Construction has earned awards by Caltrans District 11 for Utilization of Small Business and DVBE Companies in 2005 and 2009. Hazard also earned Prime Contractor of the year in 2011 and 2012 from Caltrans District 11 for highest small business participation.
