Subject: RE: 03-0F370 Water during construction for Vertical Clearance project

The City of Orland can provide construction water at a rate of 1 cent per gallon. There is a deposit of \$900 required. Water use will be available and metered at a fire hydrant located at 810 Fifth Street. For more information Forrest Marston, Public Works Supervisor, may be reached at (530) 330-0249 or (530) 865-1611.

Glad to be of assistance,

Janet Wackerman
Public Works Secretary
