Replace section 8-1.04G with:

8-1.04G Potential Budget Impasse Start

The 1st paragraph of section 8-1.04B does not apply.

Within 10 days after receiving notice that the Contract has been approved by the Attorney General or the attorney appointed and authorized to represent the Department or within 5 business days after the 2016-2017 FY Budget Act becomes law, whichever occurs later, submit a request for authorization to start job site activities. The request must include:

1. CPM baseline schedule
2. Date you plan to start job site activities

The Department does not allow changes to the request after it is authorized.

Except for measuring controlling field dimensions and locating utilities, do not start job site activities until your WPCP or SWPPP, whichever applies, is received and authorized and the following submittals are received:

1. *Notice of Materials To Be Used.*
2. Contingency plan for reopening closures to public traffic.

If you obtain authorization to start job site activities for the date you requested, start job site activities on the requested date. If you fail to submit a request for authorization to start job site activities as specified or if the request is not authorized, start job site activities within 15 days after Contract approval or 5 business days after the 2016-2017 FY Budget Act becomes law, whichever occurs later, except as specified below for the case of funds becoming available in the 2015-2016 FY Budget Act. Start work before August 15, 2016.

Do not start work before July 1, 2016 unless:

1. Funds become available in the 2015-2016 FY Budget Act
2. The Engineer and you agree on a start date after Contract approval

If the 2016-2017 FY Budget Act does not become law by August 1, 2016 and no work on the Contract has been performed, you may terminate the Contract at no cost to the State. This choice to terminate will not prejudice your performance and payment securities or your rights to participate in future bidding for the project. If you choose to terminate the Contract, you must submit notification of the termination by USPS certified mail with a return receipt and certificate of mailing to the Office Engineer.

The notification must be postmarked before the effective date of the 2016-2017 FY Budget Act.

The Department notifies you when the 2016-2017 FY Budget Act becomes law.
