Contacted: Calaveras County Water District  
120 Toma Court,  
San Andreas, CA 95249  
Phone: (209) 754-3192

Email summary: Emailed Robert Creamer (Water Master) at Calaveras County Water District (CCWD). He responded that potable water would be available in the Camp Connell area. Your contractor would need to apply for and use a hydrant meter. CCWD can be listed as a potential water source for project 10-1E4401.

Robert mentioned that the Contractor should contact the agency prior to the start of construction at 209-754-3192.
